Re: Alaris Health at Harborview, Case Nos.: 22-CA-125023, 125882, 140591

Dear Mr. Shinnars:

Alaris Health at Harborview respectfully requests a sixty-day extension of time to file exceptions to the Administrative Law Judge's decision together with a brief in support of said exceptions. We received the ALJ's decision in the Harborview matter on February 17, 2016. Exceptions and briefs are currently due on Thursday, March 10, 2016.

As you know, we previously requested a sixty-day extension to file exceptions and a brief in the Alaris Health at Castle Hill matter, Case Nos. 22-CA-125034, 125866, 140619. Farah Z. Qureshi, Associate Executive Secretary, granted Castle Hill a thirty-day extension, making April 1, 2016 the due date for exceptions and a supporting brief in that case.

The case against Harborview was tried consecutively with the Castle Hill matter. We request an extension in the Harborview matter for the same reasons we requested an extension in the Castle Hill matter. Put simply, the voluminous record as well as our other professional and personal commitments will make it extremely difficult to complete exceptions in the time currently permitted. Because we are filing exceptions in the Castle Hill matter, our time is further limited. In that regard, we also anticipate receiving opinions in the two other matters tried consecutively with Castle Hill and Harborview, and if necessary will file exceptions in those cases as well.

Thank you for your consideration. If our request is granted, Harborview's exceptions would be due May 9, 2016.

Respectfully submitted,

JASINSKI, P.C.
